

December 2020

Dear Walkers,

It is hard to believe that another year has almost passed – and what a year!

COVID 19 has dominated most of our lives and continues to present us with many challenges. Of course, the news of the vaccines is wonderful but it will take some time before everyone has the opportunity to receive one.

Here in Castlebar, we feel that it will be the second half of 2021 before life can return to any kind of normality.

After much consideration, we have made the very hard decision to cancel the 2021 Castlebar 4 Days Walks. We hope you understand how difficult this is for us but our priority remains the safety of our walkers and of course all our volunteers.

Because our event is one of the smaller ones on the IML calendar, we have formed long-lasting friendships with many of you over the years. This makes the decision even harder! There will be a lot of stories to share in 2022!

Warm Season's greetings from all of us in Castlebar.

You will be in our thoughts and prayers.

Keep safe,

Elaine Devereux
