

08.08.2020

All, our Texas Trail Roundup group met this morning. After discussing the local situation we voted to cancel our February 2021 event and immediately begin work on 2022.

Bexar County currently limits groups to 10 or less, and many new COVID cases appear every day. Our event hotels are closed, and our parks are not renting out their pavilions. We do not want anyone to come and get sick.

Hopefully a vaccine will be found and mass inoculation will be successful. We look forward to welcoming all of you in 2022.
